

Student Handbook

Tutor Support Sessions HB

L2D now offers the chance to book a 30-minute, 1-to-1 discussion between students and tutors. This is aimed at allowing students with particular queries to have these answered and walked-through with an L2D tutor.

As an example, these queries can either be about a subject area, assignment question, or final project.

Booking a Session

1. Visit our [Tutor Sessions booking](#) page
2. Select a tutor from the list. If one tutor's availability doesn't suit your schedule, check the others for more options.
3. Each booking consists of a 30-minute slot. Select a slot that is convenient for you. Typically, we make slots available one week at a time.
4. Complete the booking form with:
 - Your name
 - Email address
 - Brief description of your query (1-2 sentences)

Attending Your Session

After booking, you'll receive an automatic calendar invitation with a Google Meet link. At the scheduled time, simply click this link to join the video meeting directly from your web browser—no additional software or sign-ups required. For any questions about your support session, email us at admin@learntodiscover.ai.
